The man who was born on [Earth](#), like me and you, lived *almost* like me and you (*almost* because we each have **our** lives with a finite number of common events and ∞ different events that cause us to live *almost* the **same**) and seen like me and like you but did, NOT like me and like you (because we are just *almost* the same), the man who did everything he could to **show** the **world** the evil of the devil was

It is the most "3C" - Clear, Concise, Complete -, to which I add **imagination**, description that I could not even imagine about "the death sentence, which ended the process, who divided the historical time **before** Christ and **after** Christ", description of a lawyer NOT evangelist! That forces me to be your equal in what I write using your creation!

Every year the whole world **[celebrates Jesus' birthday](#)** even after 2,000 years and many years to come, and also commemorates and celebrates the Legacy left **[on the day of His death](#)**, which should also be **[the day of the crime](#)** committed by **[Judas](#)**

and the Devil to remind the Earth that the Devil is still alive!

I have not seen Pythagoras but I know that he **lived** on Earth because he left us his wisdom in his Theorem, Pythagoras' theorem, with which I earned my living money for many years at Downey Glass Co. where, electronic engineer - programmer analyst - teacher - became *a specialist in glass processing* - I made *geometry on glass* with which 500 workers of the Company, as in a family I was, also earned their living!

I also know that Jesus Christ **lived** on earth because he left us his wisdom in what he did to celebrate his birth and death after 2000+ years and many years to come! Thus, Jesus is the "**Greatest man that ever existed**", his legacy lives **forever!**

Jesus, in a dream on a stormy night, I asked you WHY God you understood better than anyone else, WHY God is **the way** to go and you said to me:

- Because this is the way to **progress**, to the **better**, this is the **right** path that people have gone to have what they have and will have to go if they want to have what they need, to continue to invent what makes life better, makes it *easier*; anything else is ... **man way!**

The devil, **[the greatest puppeteer](#)**, does nothing but destroy (using people who, having nothing better to earn their living with, *sell their souls* for ... thirty pieces of silver), to DESTROY what people, *going on the way of God* BUILD and this has been working for the Devil for a long time because this is what the Lord allows

[Paul Harvey](#) told us in 1965 what he would do "[If he were the Devil](#)" he would continue to do what he, the Devil does:

IN OTHER WORDS, IF I WERE THE DEVIL,
I'D JUST KEEP RIGHT ON
DOING WHAT HE'S DOING.

If you want to see this then this is the place for what Paul Harvey would do [if he were the Devil!](#)

NOTHING has changed from 1965 until today when you read what I kept for you reader in a mouse book, where you can see EVERYTHING!

This is what those who walked in the way of *God*, presented by Google to the liking of everyone, created. If you click on each image and then the link associated with it, then you stop reading what I wrote and then this is not a big deal because you will know all about the miracles of man done under *the umbrella* of God!

Euclid, Newton, Da Vinci, Mozart, Einstein and many others like them showed us YOUR WAY, Lord!

About none of them, their father and brother did NOT say what Marx's father and brother [said about him:](#)

he was "governed by a demon"

Wisdom, truth and justice belong to God and **Power**, lies, money and corruption belong to the Devil!

I have not forgotten that beautiful dream on a stormy night!

About the man who was born on Earth like me and you, lived, *almost* like me and you I add the facts of the **life** of the man [Jesus of Nazareth](#), born, raised in the land of Judea, invaded by the devils of ... the [Roman Empire](#) what determined, naturally, the course of his life, I'll do a combination for **Personal data** of the Romanian and English WIKIPEDIA for a good reason:

Personal data

Died	about 30 / 33 AD (aged 33-36) Jerusalem , Judea , Roman Empire
Buried	the tomb of Jesus

Religion	Judaism Essenes
Occupation (12 occupations as ... Apostles)	preacher prophet carpentry rabbi thaumaturge religious leader healer Messiah tutor teacher intercession of saints Central figure of Christianity
Place of activity	Galilee

[The 12 Apostles of the Savior Christ](#) (12 Apostles as ... occupations, as months in a year, as ...)!

He is the man who was born, lived, had 12 friends (whom we call ... apostles) and died on Earth.

The spiritual heritage left as the founder of **[Christianity](#)** is what makes us celebrate his birth and death after 2000+ years and many years to come! I asked my Google friend to show us the size of this *legacy*, **a living reality** preserved by mankind and then given to Google for anyone to see it!

Because you know how to translate into all of Google's languages, I'll first present just a few of the search results in my native language:

[History of Christianity](#) cu cele **Go o o o o o o o o o o o g l e >**

1 2 3 4 5 6 7 8 9 10 Next pages;  **[info](#)** and from here I selected,

just to see how simple it is to click:

[WIKIPEDIA – The history of Christianity](#) - și **[WIKIPEDIA – The history of Christianity in Romania](#)** - (every nation has its history) and then in English:

[History of Christianity](#) also with those **Go o o o o o o o o o o o g l e >**

1 2 3 4 5 6 7 8 9 10 Next pages;  info and from here I

selected, also just to see how simple it is to click: **[WIKIPEDIA - History of Christianity](#)** - and **[Britanica - The history of Christianity](#)** -!

If someone **[ignores](#)** this  info then it is not **[ignorant](#)** but ... and here began *the first part* of the biggest difficulty I encountered writing this book because the definitions for the two words (ignore and ignorant) of the **[English Dictionary](#)** from which I always started when I needed the English readers to understand what I am

writing contradicted **each other!** My luck was that "in all evil there is a good (and vice versa)" and lucky as I am I found good from evil!

I explain *the first part*:

The definitions of the verb **ignore** and the adjective **ignorant** contradict each other:

1. to **refrain** from **noticing** or **recognizing** → to **hold** oneself back **voluntarily**, which **contradicts** the definition of the adjective ignorant that said:

2. **lacking** in knowledge or training; unlearned; being without; **not having** → **NOT voluntarily** → → **contradicts** the definition of **ignore (voluntarily)!**

So:

a) those that hold oneself back **voluntarily** they are not ignorant but have sold their soul to **LUCIFER!**

b) those that **NOT voluntarily** are **not** having this ∞ info → ∞ situations of their **lives** up to this moment (different from deliberately) determined them not to know, not to know at least a little from this ∞ info!

Time never stops, you **can know!**

You can know! Here began *the second part* of the greatest difficulty I encountered in writing this book!

I have connected on this page the **reality** of Jesus the man who was born, lived, had friends and died massacred on Earth, connected with *tons* of **narratives** created by **evangelists**, **jurists**, poets and novelists and *I expect* you, the reader, for whom I had to use the dictionary to know exactly the meaning of the words I used here, *I expect* you to understand who Jesus was and what Christianity is ?!

I don't expect it and that's why I wrote this page to see ∞ **life** situations that make it impossible to distinguish **reality** from ... **stories!**

By writing this page I got even closer to Jesus whom I **worship** as my mother Mary and my father Basil, and at the same time *my opinion* about the **reality** of Jesus' existence took another step towards ... **truth!**

A short story will convince you of **life** situations that make it impossible to distinguish reality from ... stories!

Every two weekends I play football with my grandchildren and my friend Charles (*known* in our neighborhood as ... the best car mechanic, plumber and for anything you need to repair at home and in the yard) with his

grandchildren, we play in **Knoll Park** a stone's throw from our houses (among which are only 3 other houses)!

During one of the breaks, we were cooling off with **Gatorade** when Junior, one of Charlie's grandchildren, surprised us:

- Charles, you know how faithful Father Alex is; he wants to convince me that Jesus performed miracles, that he walked on water and much more! How the hell can I believe such nonsense that a man can walk on water?

What do you say, *he moves* the question to me, looking at me?

I had no idea about the fact or narrative that Jesus would have walked on water like ... many more!

- I don't say anything because I have no idea; I'm going to ask my **Google** friend who *knows them all and* at the next match I'll tell you Junior everything I learn from him!

Google told me:

* **Jesus walking on water** described as or on the sea, is depicted as one of the **miracles of Jesus** recounted in the **New Testament**. There are accounts of this event in three **Gospels**—**Matthew**, **Mark**, and **John**.

** **Walking on Water**.

During the Gatorade break at the next match, I told Junior everything I had learned from **Google**. Junior, a smart young man surprises me again:

- Eugene, so the story that Jesus went on the water is a *mixture* of **reality** (Jesus sent his disciples in a ship to reach the other side of the Sea of Galilee) and someone's story, a **story** that reached the pages on which you have read but I do NOT know of the existence of these pages! Do you want me to believe that, Eugene?

- No Junior, I just told you what I got for you from **Google** about "how the hell can you think such nonsense"!

Only you Junior can find out and believe what you want that makes sense, that is acceptable, that **you accept!** But **hurry up slowly** so sure you'll get where you want to get! When we'll return home, I will tell you about the man Jesus whom I worship and I came to worship him in a *hurrying up slowly* to find out WHY the whole world celebrates his birth after 2,000 years and also commemorates the day of his death.

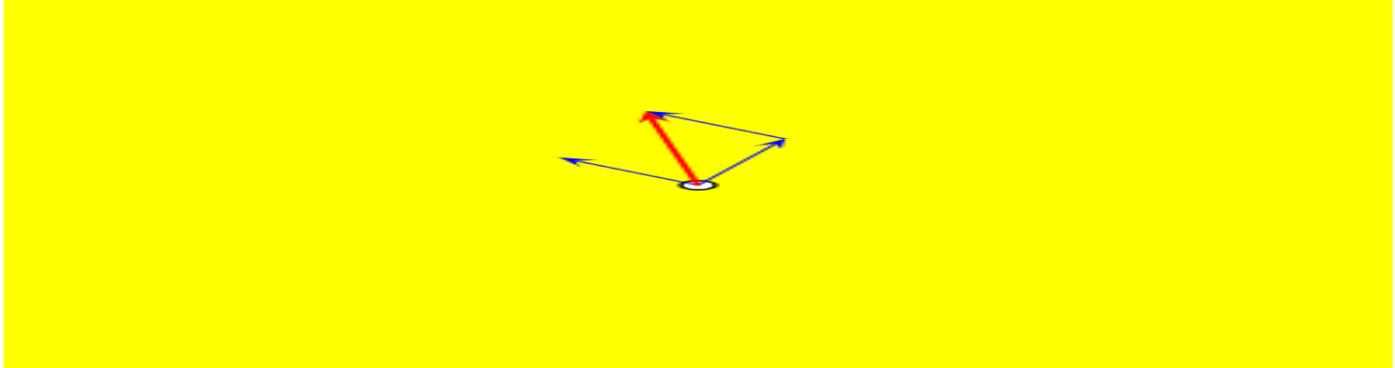

5 minutes back home I only talked to Junior. When I saw that he understood that ONLY THEN when you know WHY *something* is AS *it is said* to be ONLY THEN you can talk about that *something*, then I considered my mission accomplished and since then I have one more friend, Junior. Reader, you have examples every day in your life like this. Because in the following explanations I will frequently use the word **set** in the context of **set** of **info** in the mathematical sense of the word **set**: "In **matematics**, a **set** is a **collection** of **elements**. The

elements that make up a set can be any kind of **mathematical objects**: numbers, symbols, points in space, lines, other geometric shapes, variables or even other sets; to which I add ... **info**",
I think I have defined enough "set of info"! We can only reason with elements of the "set of info" which are logical propositions and each of them we know how it is, true or false! You will read about how we increase our "set of info" in **CHAPTER 06: Introduction To Propositional Logic**; ...!

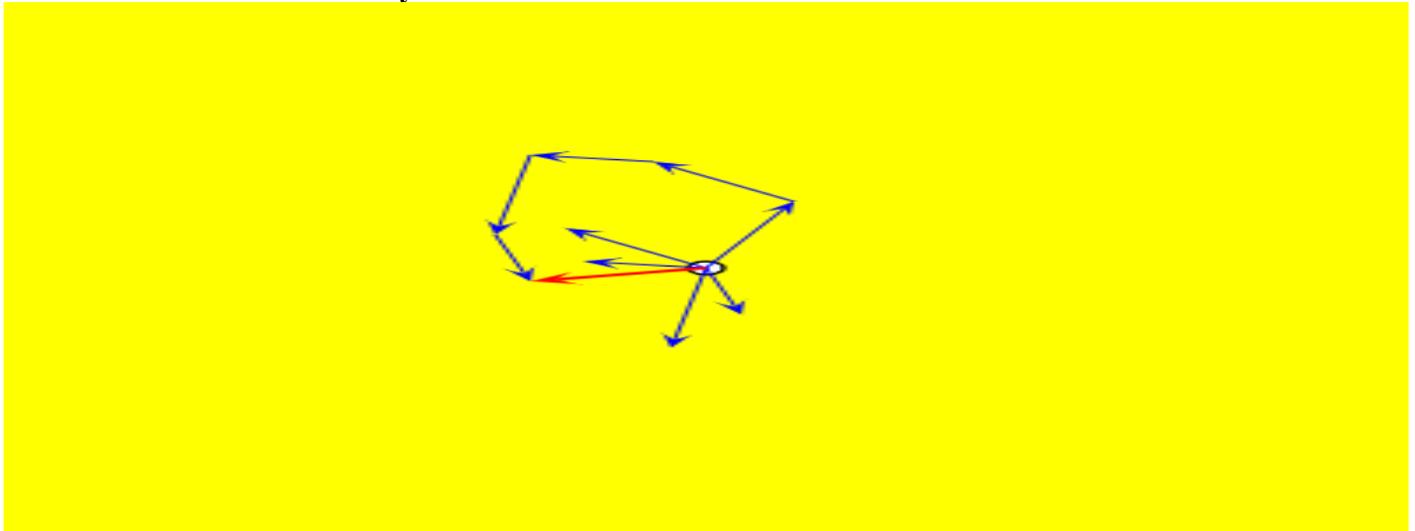

WHY every person *believes* and **accepts** what he *believes* is primarily a function of the **set of info** he has at that moment about that *something*, which is his OPINION, of the person, about that *something* at that moment! Each element of the **info set** is a FORCE of a certain **intensity** (small / large) and **direction** (**towards** God / **towards** the Devil, in this case) and the OPINION is the **RESULTANT** of these FORCES that are composed according to the laws of physics!

The **RESULTANT** of two or more FORCES you can understand if *you play* 15 minutes with this Java **Resultant of Forces** program!

Click **Find out resultant** for the **number of forces = 2**, the **RESULTANT** of the **2 forces** in the **direction** and with the **intensity** of which you will move if they **act on you** will be the **red** vector:

and this is how the **RESULTANT** will change when you click **Find out resultant** when you add a NEW FORCE, so the **number of forces = 3, 4** and the last one offered by this Java program, **5**, and you will move in the **direction** and with the **intensity** of the **red** vector:

Each new **force** (info in the **set of info**) CHANGES the **direction** and **intensity** of OPINION!

Now is the moment to **link** what I said before introducing the **RESULTANT** of the FORCES (info in the **set of info**) with what the **RESULTANT** of the FORCES shows us, we move in the **direction** and with the **intensity** of the **RESULTANT** which CHANGES when a NEW FORCE acts on us!

I said:

“every person *believes* and **accepts** what he *believes* is **primarily** a function of the **set of info** he has at that moment about that *something* and NOT a function of his level of intelligence and wisdom”!

Now is the moment to **link** all the pieces which I showed you, **fasten your seat belt**!

Ronald Reagan our nation’s hero, **Elon Musk**, a genius of this Century, **Donald J. Trump** *king of the business empire*, the 45th President of the United States all with a **proven** very high level of intelligence and wisdom, see how they CHANGED their **political affiliations** bellow:

Ronald Reagan

Political party [Republican](#) (from 1962)

Other political affiliations [Democratic](#) (until 1962)

[Elon Musk](#)

Musk voted for [Hillary Clinton](#) in the [2016 U.S. presidential election!](#) In the [2020 Democratic presidential primaries](#), Musk ... ultimately voted for [Joe Biden](#) in 2020. In 2022, **Musk** said that he could "**no longer support**" the Democrats because they are the "**party of division & hate**"!

[Donald J. Trump](#)

Political party [Republican](#) (1987–1999, 2009–2011, 2012–present)

Other political affiliations [Reform](#) (1999–2001)
[Democratic](#) (2001–2009)
[Independent](#) (2011–2012)

WHAT CHANGED their **political affiliations**? NOT their level of intelligence and wisdom but the FORCES (info in the **set of info**) that CHANGED the RESULTANT that defined the **direction** and the **intensity** of moving in life! The **proven** very high level of intelligence and wisdom allowed them *to see* the NEW FORCES (info in the **set of info**) that CHANGED the RESULTANT and all they did was ADJUST their lives to the NEW RESULTANT!

The biggest profit they got out of their dance with the two affiliates was that they learned what music he likes and what kind of dances ([Memphis](#) or [Let's Go](#)) to try until they find the right one for them! I did the same with the *communist devils* in Romania so I could run away from them; otherwise Elon and Donald J. would not have read what they have read and what they will read! Their *divorce* from the Democrats and the *wedding* with the Republicans makes me think of Cornel Lupu (we jokingly called him Lupulica), one of my friends from C.T.C.E. Sibiu!? Every month, our group of several friends (husband, wife) meet for a party (name parties, baptisms, weddings or simply a party at one of our homes); what if for some reason in a month I couldn't have any? The next month we had ... two!

This is what made me think of Cornel. Almost at every party, he told us, while his wife Mioara laughed:

- I will never divorce Mioara because I can't find a better wife than her, and why should I try again, just to prove to myself that I am right?

While we were laughing, Mioara said in a serious tone:

- I, like Cornel, will never divorce him because I can't find a better man than him, and why should I try with another one, just to prove to myself that I'm right too?

This is how we end every monthly party!

Returning to the adaptation of life to the NEW RESULTANT made by Elon and Donald J. only this is left to say: those with NOT so high level of intelligence and wisdom can't *feel* any NEW FORCES, any NEW RESULTANT, so they stay in politics in the same ... seat for the rest of their life; they and others like them sell their souls for 30 pieces of silver to satisfy their greed! *Good greedy* people invent what millions of people need and then hire millions of people (on salary) to produce them, they don't sell their souls for 30 pieces of silver!

But, the final question born in the question above "what FORCES (in the **set of info**) that CHANGED the RESULTANT ...", the question is:

- WHY the FORCES (info in the **set of info**) CHANGE even to ... the heroes of our nation, to the geniuses of this century and kings of the business empire?

BECAUSE we are all born with a *disease* for which there is NO medicine; such are [the ways of the Lord](#), let us be born *sick* and heal ourselves! The *disease* we are born with is that we see that we are **unique creations** and then we BELIEVE (even [atheists](#) BELIEVE this) that ALL that exists at a given moment in OUR **set of info** is ALL that exists about ANY topic and then ... we **affiliate** ourselves with something that soon we DON'T like it anymore! I saw my *illness* from the moment I started writing this book *with a mouse* and I am convinced that I will never be cured! About the Lord's ways, some say that they are *entangled*, others say that they are *unknown*, you will be surprised by what others say! Well, surely they are unknown because they are not ours, they are His ways and we want to understand them with our *entangled* minds!

And now [take OFF your seat belt!](#)

If you managed to understand what is the RESULTANT of two or more FORCES then you will congratulate yourself for the 15 minutes of ... *play* and if you click [Physics Apps](#) then you don't need any more Physics courses!

If after 15 minutes of ... playing you had the curiosity to see WHY Elon after having political affiliation with [her](#) in Fremont in 2010, as writes under their picture, Senator [Dianne Feinstein](#):

(2022 – 1992 = 30 years), having a wider set of info with NEW FORCES that CHANGED RESULTANT again and the NEW RESULTANT is the one he's moving now, then my mission is accomplished!

When I started writing the book, I only knew my father and mother, my life and Leonardo da Vinci and the man Isus but Google helped me find out everything I wrote here. Google helped me as from the man who was born on Earth, like me and you, who lived almost like me and you, saw like me and you, the man who did everything he could to show the world the evil of the devil and for this he was humiliated and then slain: betrayed for thirty pieces of silver, tried, crucified, the man Jesus became the man I worship! Jesus will be worshiped by everyone

if a new [Trinity](#) that lives on Earth with the Devil and knows the life of the man Jesus, the one who had 12 occupations and 12 Apostles will show him how. That *new Trinity* also knows that Jesus was the closest man to the soul of God, the only spiritual son of God, creator of [Christianity](#), an Abrahamic monotheistic religion based on the [life](#) and [teachings](#) of Jesus of Nazareth, the man who 2000 years ago was the first one to show the man that [TRUTH will set you FREE](#). That *Trinity* will show everyone the WAY of Jesus so that everyone can SEE it, but do not forget:

- * the sooner the better,
- * the better [Google](#) helps him, the sooner he will worship him,
- * the devil does not play fair; the lies, the money that buys the souls that are sold to him and corruption are his *tools* to stop that man!

WHY would that man show the *WAY* to Jesus? Because this is the ONLY *WAY* that every man would sing: [What a Wonderful World](#) (a new *WWW*) with [Louis Armstrong](#)!

I think that *Trinity* will be ... the next to the one that cut off the first of the 7 heads of [Satan](#), that of communism implemented by Lenin and Stalin!

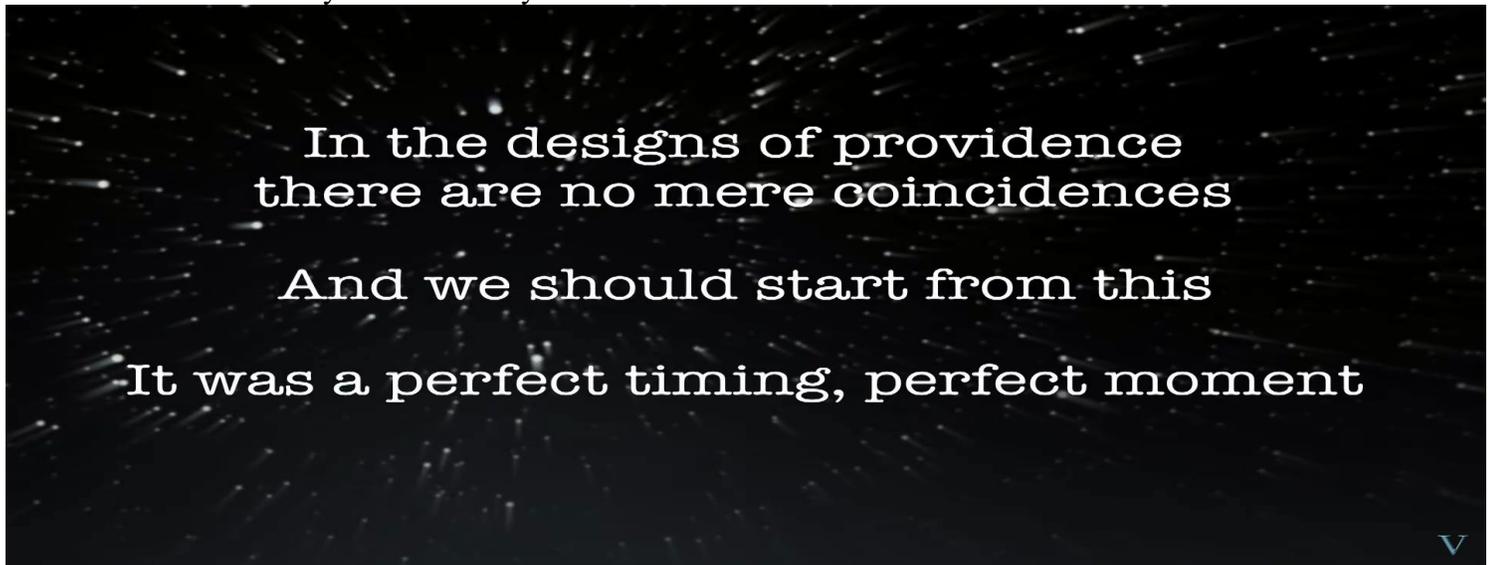

[Paul Kengor and Robert Orlando](#) in their book and [Robert Orlando's](#) film **The Divine Plan**, describe in detail the whole effort of the *Trinity* to **destroy** the **communism** designed by Marx and first implemented by Lenin and Stalin, effort successfully completed but Marx's project is **still alive** in the world.

You have the opportunity to watch the entire movie whenever you want (down here at the **end** of page 34) made by Robert Orlando (I hope it will open your curiosity to go and see it at the cinema) as well as a SUMMARY of mine with screenshots of the most significant moments (which I considered as such, I hope Robert will be satisfied) of the most significant moments of the Divine Plan as well as some links that can only be opened with a **mouse**! In these screenshots from Robert Orlando's film you have the SYNOPSIS of the film to which I have added some comments.

Maybe we'll discover something too, just like Henry [Becquerel](#), in one of the most well-known [accidental discoveries in the history of physics](#) discovered radioactivity!

My final comment!

Cardinal Stanislaw Dziwisz said

“Today we recall **two great men** who stood before this very CHOICE, and how their decision shaped the World in which we live.”

WHY only **two** Cardinal Stanislaw Dziwisz, instead of ... **three**:

[Ronald Reagan](#), [Pope John Paul II](#), [Mikhail Gorbachev](#), like a [Trinity](#)?!

Holy Trinity is the name of the [Cathedral](#) in Sibiu Romania where I married Angela; that fact triggered my mind to those **three** men who were born on Earth, like me and you, like Jesus Christ.

Cardinal Stanislaw Dziwisz, WHY only **two** instead of **three**?

I have an idea, but like the Cardinal ... I don't agree with my idea !?

Mikhail Gorbachev [The Providential Man](#) was the leader of the Russian people, of Russia, which Reagan called “**Evil Empire**”!

How could Cardinal Stanislaw Dziwisz include Gorbachev in this *new Trinity*?

It wouldn't have been *political*!

Until this *political* is destroyed the **ONGOING STRUGGLE** keeps *dancing*!

The religious foundation of the three was the element that united them in their *new Trinity*!

Ronald Reagan [Religion](#) foundation was put by his mother [Nelle](#):

“Reagan identified himself as a born-again Christian. In Dixon, Reagan was strongly influenced by his pastor Ben Hill Cleaver, whom he considered "a wonderful man."

[Gorbachev](#) was baptized [russian orthodox](#) and “when he was growing up, his [grandparents](#) had been practicing Christians. He sent his daughter, his only child, to a **local school** in Stavropol rather than to a **school** set aside for **the children of party elites** Among his favorite authors were [Arthur Miller](#), [Dostoevsky](#), and [Chinghiz Aitmatov](#). Mikhail's daughter, [Irina Mikhailovna Virganskaya](#), and her [two daughters](#), for whom he sacrificed the political power he had reached, the honors and *fanfares* that sang to him uninterruptedly, will appreciate the fact that others also admired their father / grandfather as one of the *new Trinity* who cut the first of the *7 heads of Satan*, that of Lenin and Stalin's communism!

He, of the three, did for their cause (greater freedom, greater respect for human dignity) the hardest thing a man can do: **give up** everything [The Marked One](#) gave up!

The awards: [Presidential Medal of Freedom](#) & [Congressional Gold Medal](#) & [other honors and awards](#) [The Nobel Peace Prize 1990](#) & [Indira Gandhi Prize](#) & [MORE](#), are individual awards or for a *duo* of the *new Trinity*! *New Trinity* deserves, in addition to [Paul Kengor with Robert Orlando](#) book and [Robert Orlando's](#) movie, deserves a special award for *new Trinity* who cut off Satan's first *head*; there are ... six heads left, **ONGOING STRUGGLE**!

Leon Trotsky will show you how the first *head* of Satan, communism, was **born**!

WHY [Leon Trotsky](#)?

Because Trotsky, a Russian-Ukrainian [marxist](#) revolutionary, [political theorist](#) and [politician](#), ideologically a [communist](#) developed a *variant* of [Marxism](#) which has become known as [Trotskyism](#), ended **killed** by his Bolshevik comrade ... **Stalin**; his views had **become a danger** to those in power in the *Communist Empire* as Jesus had in [Judaea -province of the Roman Empire](#), from being:

People's Commissar of Military and Naval Affairs of the Soviet Union	
	In office
	14 March 1918 – 25 January 1925 (7years)
Premier	Vladimir Lenin Alexei Rykov
Preceded by	Nikolai Podvoisky
Succeeded by	Mikhail Frunze

His life, full of surprises, even having an *affair* while living for 2 years in [Coyoacán](#) in the house of a *political admirer*, affair with Frida Kahlo, his admirer's wife. She was briefly suspected of being involved, as she knew

Trotsky's killer, and was arrested and held for two days with her sister Cristina. Affair with an admirer's wife it's something *normal* in Satan's *world* for those who haven't read the 7th of those [10 Commandments received by Moses](#)! His life shows better than any other Marxist communist political theorist' life what *their theory* really IS, a continuous struggle for POWER by eliminating (killing) any competition!

I summarized the life of Leon Trotsky using mainly [English](#) WIKIPEDIA.

Leon Trotsky's life

His **life** shows better than any other Marxist-communist political theorist politician's life what their [theory](#) really IS!

Born	Lev Davidovich Bronstein 7 November 1879 (N.S.) Yanovka , Yelisavetgradsky Uyezd , Russian Empire (in present-day Ukraine)
Died	21 August 1940 (aged 60) Coyoacán , Mexico City , Mexico
Cause of death	Assassination
Citizenship	Russian (1879–1917) Soviet (1917–1932) Stateless (1932–1937) Mexican (1937–1940)

[Left opposition \(1923–1924\)](#)

Since the *troika* controlled the Party apparatus through **Stalin's** Secretariat and *Pravda* through its editor Bukharin, ... In the end, only three delegates voted for Trotsky's position, and the Conference *denounced* "Trotskyism as a *petty bourgeois deviation*".

[After Lenin's death \(1924\)](#)

On the surface, **Trotsky** remained the *most prominent* and *popular Bolshevik leader*, ...

These *ideological divisions* provided much of the intellectual basis for the *political divide* between **Trotsky** and the *Left Opposition on the one hand* and **Stalin** and his allies *on the other*.

At the thirteenth Congress Kamenev and Zinoviev *helped Stalin defuse Lenin's Testament*, which belatedly *came to the surface*! Yet in October 1924, Trotsky published [Lessons of October](#), an extensive summary of the events of the 1917 revolution.

[Defeat and exile \(1927–1928\)](#)

Trotsky was *exiled* to [Alma Ata, Kazakhstan](#) on 31 January 1928. He was **expelled** from the **Soviet Union** to [Turkey](#) in February 1929, accompanied by his wife Natalia Sedova and their eldest son, Lev.

[Exile \(1929–1940\)](#)

In April 1929, Trotsky, his wife and son were moved to the island of [Büyükada](#) by the Turkish authorities.

In July 1933, **Trotsky** was offered asylum in France by Prime Minister [Édouard Daladier](#). Trotsky accepted the offer, but he was forbidden to live in [Paris](#) and soon found himself under the surveillance of the French police.

Following the [6 February 1934 crisis](#) in France, the French minister of internal affairs, [Albert Sarraut](#), signed a decree to **deport Trotsky** from France.

However, no foreign government was found willing to accept **Trotsky** (Lev Davidovich Bronstein) within its borders. Accordingly, the French authorities instructed **Trotsky** to move to a residence in the tiny village of [Barbizon](#) under the strict surveillance of the French police, where Trotsky found his *contact* with the *outside world* to be even worse than during his exile in Turkey.

Trotsky and his wife became a guest of [Konrad Knudsen](#) at [Norderhov](#), near [Hønefoss](#), and spent over a year living at Knudsen's house, from 18 June 1935 to 2 September 1936, although Trotsky was hospitalized for a few weeks at the nearby [Oslo Community Hospital](#) from 19 September 1935

On 14 August 1936, the Soviet Press Agency **TASS** announced the discovery of a "**Trotskyist–Zinovievist**" plot and the imminent start of the [Moscow Trials](#) of the accused. **Trotsky** demanded a **complete** and open enquiry into Moscow's accusations. The accused were sentenced to **death**, including Grigory Zinoviev and Lev Kamenev, and **executed** on 25 August 1936.

On 19 December 1936, **Trotsky** and his wife were **deported** from **Norway** after being put on the Norwegian oil tanker *Ruth*, under guard by [Jonas Lie](#). When later living in Mexico, **Trotsky** was utterly scathing about the treatment he received during his 108 days at [Hurum](#), and accused the Norwegian government of trying to prevent him from publicly voicing his strong opposition to the Moscow Trials and other show trials, saying:

“When I look back today ..., I must say that never, anywhere, in the course of my entire life—and I have lived through many things—was I persecuted with as much miserable cynicism as I was by the Norwegian "Socialist" government. For four months, these ministers, dripping with *democratic hypocrisy*, gripped me in a stranglehold to prevent me from protesting *the greatest crime* history may ever know.“

The *Ruth* arrived in Mexico on 9 January 1937. On **Trotsky's** arrival, the Mexican president, [Lázaro Cárdenas](#), welcomed **Trotsky** to Mexico and arranged for his special train *The Hidalgo* to bring Trotsky to Mexico City from the port of [Tampico](#).

From January 1937 to April 1939, **Trotsky** and his wife lived in the [Coyoacán](#) area of Mexico City at [La Casa Azul \(The Blue House\)](#), the home of the painter [Diego Rivera](#) and Rivera's wife and fellow painter, [Frida Kahlo](#), with whom **Trotsky** had an *affair*. His final move was a few blocks away to a residence on Avenida Viena in April 1939, following a break with Rivera.

Trotsky wrote prolifically while in exile, penning several key works, including his [History of the Russian Revolution](#) (1930) and [The Revolution Betrayed](#) (1936), a critique of the Soviet Union under [Stalinism](#). He argued that the Soviet state had become a "[degenerated workers' state](#)" controlled by an **undemocratic** bureaucracy, which would eventually either be overthrown via a [political revolution](#) *establishing a workers' democracy*, or *degenerate into a capitalist class*.

[Assassination](#)

After a failed attempt to have Trotsky murdered in March 1939, ... on 24 May 1940, Trotsky survived a raid on his villa by armed assassins led by the [NKVD](#) agent [Iosif Grigulevich](#) and Mexican painter [David Alfaro Siqueiros](#).

On 20 August 1940, **Trotsky** was attacked in his study:

by Spanish-born [NKVD](#) agent [Ramón Mercader](#), who used an [ice axe](#) as a weapon.

Trotsky was then taken to a hospital and operated on, surviving for more than a day, but dying, at the age of 60, on **21 August 1940** from [exsanguination](#) and shock!

Here is, as I promised at beginning of this scene, Robert Orlando's film, film made after Paul Kengor and Robert Orlando's book:

[The Divine Plan!](#)

You can see here that the soul is a divine creation that transmits from man to man, like electromagnetic waves, conveys our senses and makes tears flow from our eyes! Jesus did not see these videos and said the same thing about the soul! Aubrey Burchell este însă cel mai bun exemplu cum Dumnezeu ne conduce pe [calea spinoasă a vieții](#) fiindcă toți suntem ... **la fel!** The devil leads us down the path of **selling** our soul for ... **power**; I don't **waste your time** with examples, you see them every day! Aubrey Burchell is the best example of how God leads us on [the thorny path of life](#) because we are all... **the same!**

Since we are coming to the end of this section where the fantasy of the imagination about *the reality* of life was its engine, I will end with what was left ... **unused** from the imagination of *my fantasy!*

Hierarchical structure of PEOPLE is simple
(only with a separating **IF**)

IF

you **SOLD** your **SOUL** to the **DEVIL**
for *thirty pieces of silver* (like Judas)

Entering **HEAVEN** or **HELL** depends ONLY on how you ... exit **IF**, **NO** or **YES** from ...

you **SOLD** your **SOUL**! It doesn't matter in the slightest where you came from ... **in IF**!

Judas, after selling his soul, wanted to ensure his position as a great leader in hell (he is the one at the top) and ended his life like this:

Cause of death [Suicide by hanging](#)

Robert, at the premiere of your new film based on historical reality (Judas sold his soul for 30 pieces of silver, selling Jesus to those who crucified him, he hanged himself thus becoming the boss of hell), at the premiere I will thank you for the gate you have open it in my mind and heart with your creation "The DIVINE Plan"!

Greed is the engine that pushes the one who **SELLS** his **SOUL** when this is the **unique** option for his greed!

"The first step in the **destruction** of **evil** is to **NAME it**, to **call it out** because he does **not like** that"!

People end up in HEAVEN or HELL, as they leave this **IF**, not Capitalist or Communist economic systems at all! They, the systems, destroy themselves if they ignore the people they were created for! The Communist system was the first to demonstrate this, the Capitalist one will follow if it doesn't find ways to avoid the same end, there is **plenty of time!** [How many years will the earth exist](#) (see also the results of other studies done [by experts](#))? "Earth's long-term future is tied to that of the Sun. In the next

1.1 billion years, solar luminosity will increase by 10%" □ the Capitalist system has time to create something for ... people starting from where it is today: [the richest people in the world in 2022](#) have more than \$90 billion (good for them) & [homelessness](#) they are all over the world!

Just as the *new Trinity* won [the war against Communism](#) with only two **signatures**,

[without firing a shot](#), yet *another new Trinity* of Capitalism will have to win *the war* against the poverty of the masses, an [estimated 150 million people are homeless worldwide](#) from [world population](#): 7,868,872,451 means: 7 billion **868 million 872 thousand 451** people, i.e. 1.9% of the world's population, are homeless!

The Million, Billion, Trillion table may help something:

Value I Number of **0** I Exponential notation

Million	6	10 ⁶
Billion	9	10 ⁹
Trillion	12	10 ¹²

Let's take a look at the list [of empires and dynasties!](#)

The Roman Empire, we already know, existed before the birth of Jesus (**27 BC**) for **1480** years!

Roman Empire	27 BC	1453	1480
------------------------------	--------------	------	-------------

It appears that the first Empire was Assyria, from **2,500 BC** for **1,589** (**one thousand five hundred and eighty-nine**) years:

Assyria	2500 BC	911 BC	1589
-------------------------	----------------	--------	-------------

Then WHY are we still surprised that almost **2.0%** of the world's population is homeless!?

Time to fix it exists, *hurry slowly* not like those of these days of '[Masquerade](#)'; the devil appears when and how no one expects!

The war against the poverty of the many, almost 2.0% can be won by *another new Trinity*!?

As *another new Trinity* it will have a *The Holy Spirit* who will make the plan in sync with [human nature](#) for the needs, not the pleasures of man. For his own pleasure, let the man solve this for himself, because the devil has only one neck (not the head) knows how to make him his slave!

The Holy Spirit will read for *the Trinity*, so many times until they act on the same level of **spirituality**, of trust in **divine power** and history of systems designed by philosophers, sociologists, politicians, economists (not allowed to develop freely, naturally), he will read what *they are*:

a) **Capitalism**

an **economic system** based on the **private ownership** of the **means of production** and their operation for **profit**. Central characteristics of capitalism include **capital accumulation**, **competitive markets**, **price system**, **private property**, **property rights recognition**, **voluntary exchange**, and **wage labor**. In a **capitalist market economy**, **decision-making** and **investments** are determined by **owners** of wealth, property, or ability to maneuver capital or production ability in **capital** and **financial markets**—whereas prices and the distribution of goods and services are mainly determined by **competition in goods and services markets**.

So: Capitalism = **economic system**

b) **Communism**

is a **far-left philosophical**, **social**, **political**, and **economic** ideology and **movement** whose goal is the establishment of a **communist society**, namely a **socioeconomic** order based on the idea of **common ownership** of the **means of production**, **distribution**, and **exchange**—allocating products to everyone in the **society**.

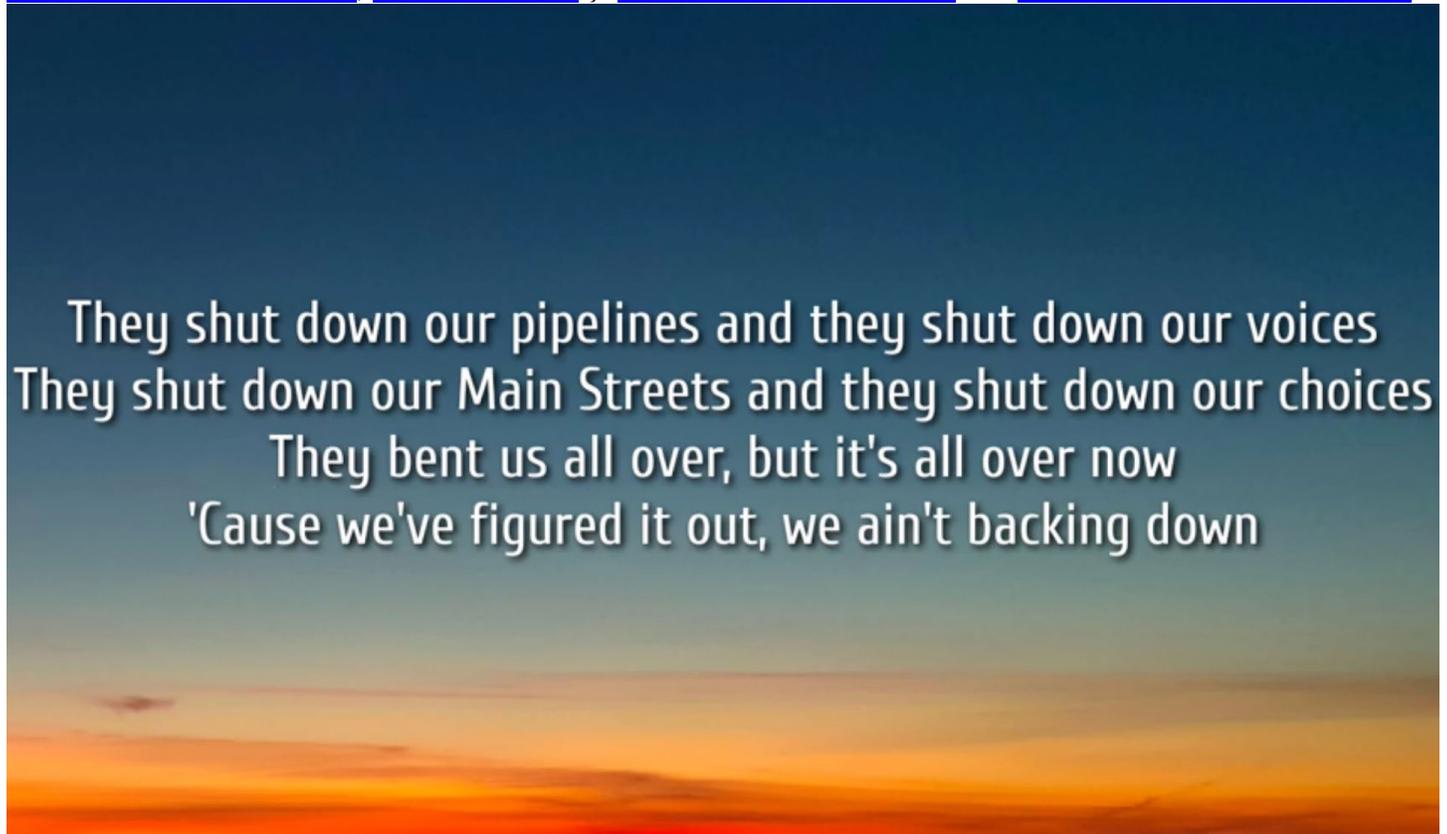

So: Communism = a **far-left philosophical**, **social**, **political**, and **economic** ideology and **movement**

Any questions: what is **Capitalism** & what is **Communism**?
