

# Bilderberg Group

---

From Wikipedia, the free encyclopedia

**The Bilderberg Group** , organized in 1952 and named after the hotel where their first secret meeting took place, in 1954. The one who organized the Bilderberg Group is Prince [Bernhard of Lippe-Biesterfeld](#) of the [Netherlands](#) .

The Bilderberg Group, together with the [Council on External Relations](#) , led to the creation of the [Trilateral Commission](#) .

The history of the Bilderberg Club begins after [World War II](#) . The first official meeting took place in May 1954 in the Dutch town of [Oosterbeek](#) . It was then that the name of the Bilderberg Hotel, the host of the meeting, was owned by Prince Bernhard, the father of the former [Queen Beatrix](#) of the Netherlands.

**The Bilderberg Group** is an organization with a **global agenda** , which includes political leaders from the Western world, businessmen and academics <sup>[1]</sup> . The meetings have been held annually since [1954](#).

**The founders of the group were magnates [David Rockefeller](#) and banking family [Rothschild](#).**

The group is strongly exclusive and meets annually to promote rapprochement between [Europe](#) and the [United States](#) . The organization has a global agenda and states that the notion of national sovereignty is outdated . Due to the secrecy of the meetings and the refusal to issue press releases, the group has often been accused of conspiracies worldwide . The group does not have a website and no meetings are recorded .

The Bilderberg Group includes about 180 political, cultural, economic and academic personalities, who meet every year in May, alternately in Europe and America, in almost 50 countries .

The group was suspected of having a potential attack on [Iran](#) and the future collapse of the euro on the agenda of the [2010](#) meeting <sup>[2]</sup> . Following the collapse of the euro, the way out of the crisis would be to boost the emergence of a world currency issued by a global central bank . This would translate into trying to make the [IMF](#) a kind of world treasury, under the auspices of the [UN](#) .

Russian journalist [Daniel Estulin](#) is one of the "hunters" of the Bilderberg group . Estulin's books,

"**The True Story of the Bilderberg Group**" and "Shadow Masters", have sold millions of copies and have been translated into more than 50 languages .

## Organization

The Bilderberg Group is structured on **three** levels:

- The outer circle which is very wide; over 80% of the participants in the meetings are part of the outer circle and know only a part of the real strategies and goals of the organization
- The steering committee is much smaller. This level is made up of about 35 members, exclusively European and American. They know 90% of the group's objectives and strategy. American members of this level are also members of the CRE - Council on Foreign Relations
- **Bilderberg Advisory Committee**, the core of the group. It consists of **12** members, the **only ones** who fully know the **real strategies** and **goals** of the **organization!**
